

Office of Personnel Management

§ 531.403

minimum and below the range maximum, the corresponding rate in the current GS rate range must be derived as follows:

Step 1	Find the difference between the employee's highest previous rate and the minimum rate for the GS rate range (for the employee's current grade) in effect at the time the highest previous rate was earned.
Step 2	Find the difference between the maximum rate and the minimum GS rate of the rate range identified in step 1. (If the GS maximum rate was not payable because of the EX level V pay limitation, use the uncapped maximum rate.)
Step 3	Divide the result from step 1 by the result from step 2. Carry this result to the seventh decimal place and truncate, rather than round, the result. This decimal factor represents the employee's relative position in the rate range.
Step 4	Using the current GS rate range (for the employee's current grade), find the difference between the maximum rate and the minimum rate. (If the GS maximum rate was not payable because of the EX level V pay limitation, use the uncapped maximum rate.)
Step 5	Multiply the result from step 4 by the factor derived from step 3.
Step 6	Add the result from step 5 to the minimum rate for the employee's current GS rate range and round to the next higher whole dollar. This rate is the maximum payable GS rate the agency may pay the employee (subject to the EX level V pay limitation).

(3) In applying § 531.221(c) for an employee whose highest previous rate is a special rate, the highest previous rate (after any geographic conversion) must be compared directly to the current highest applicable rate range for the employee's position of record and official worksite after reassignment. Thus, the rate identified under paragraph (c)(1) of this section is the maximum payable rate of basic pay.

§ 531.403 Definitions.

In this subpart:

Acceptable level of competence means performance by an employee that warrants advancement of the employee's rate of basic pay to the next higher step of the grade or the next higher rate within the grade (as defined in this section) of his or her position, subject to the requirements of § 531.404 of this subpart, as determined by the head of the agency (or designee).

Agency means an agency with employees covered by this subpart, as provided in § 531.402.

Calendar week means a period of any seven consecutive calendar days.

Critical element has the meaning given that term in § 430.203 of this chapter.

Employee has the meaning given that term in 5 U.S.C. 2105, except that for the purpose of applying the provisions regarding equivalent increases and creditable service with respect to non-GS service, *employee* also includes—

(1) An individual employed by the U.S. Postal Service or the Postal Rate Commission who would be considered an employee under 5 U.S.C. 2105 but for the exclusion in section 2105(e); and

(2) An individual employed by a non-appropriated fund instrumentality for service that is creditable under § 531.406(b)(4).

Equivalent increase means an increase in an employee's rate of basic pay, or an opportunity for such an increase under a non-GS pay system, as described in § 531.407.

Next higher rate within the grade for a GM employee means the rate of basic pay that exceeds the employee's existing rate of basic pay by one within-grade increase, not to exceed the maximum rate of the grade. For the purpose of this definition, a within-grade increase equals the dollar value of the GS within-grade increase for the applicable grade (excluding any locality payment, special rate supplement, or any other additional payment).

General Schedule or *GS* means the classification and pay system established under 5 U.S.C. chapter 51 and subchapter III of chapter 53. The term also refers to the pay schedule of GS rates established under 5 U.S.C. 5332, as adjusted under 5 U.S.C. 5303 or other law (including GS rates payable to GM employees). Law enforcement officers receiving LEO special base rates are covered by the GS classification and pay system, but receive higher base rates of pay in lieu of GS rates at grades GS-3 through GS-10.

GM employee has the meaning given that term in 5 CFR 531.203.

GS rate means a rate of basic pay within the General Schedule, excluding additional pay of any kind such as locality payments under subpart F of this part and special rate supplements under 5 CFR part 530, subpart C, or 38

U.S.C. 7455. A rate payable to a GM employee is considered a GS rate.

Law enforcement officer or *LEO* has the meaning given that term in 5 CFR 550.103.

LEO special base rate means a special base rate established for GS law enforcement officers at grades GS-3 through GS-10 under section 403 of the Federal Employees Pay Comparability Act of 1990 (section 529 of Pub. L. 101-509, November 5, 1990, as amended) which is used in lieu of a GS rate.

Next higher rate within the grade for a GM employee (as defined in § 531.202) means the rate of basic pay which exceeds an employee's existing rate of basic pay by one-ninth of the difference between the minimum and maximum rates of pay for the applicable General Schedule grade or special salary rate schedule established under section 5305 of title 5, United States Code, not to exceed the maximum rate for the grade.

Permanent position means a position filled by an employee whose appointment is not designated as temporary by law and does not have a definite time limitation of one year or less. "Permanent position" includes a position to which an employee is promoted on a temporary or term basis for at least one year.

Promotion means an employee's movement from one grade or level to a higher grade or level while continuously employed (including such a movement in conjunction with a transfer).

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee before any deductions and exclusive of additional pay of any kind. For an employee covered by the General Schedule, that *rate of basic pay* is the GS rate or, if applicable, an LEO special base rate.

Scheduled tour of duty means any work schedule established for an employee in accordance with the regular procedures for the establishment of workweeks in § 610.111 of this chapter. For a full-time employee this includes the basic 40-hour workweek. For a part-time employee this is any regularly scheduled work of less than 40-

hours during the administrative work-week.

Temporary promotion means a time-limited promotion with a not-to-exceed date or a specified term.

Waiting period means the minimum time requirement of creditable service to become eligible for consideration for a within-grade increase.

Within-grade increase is synonymous with the term “step increase” used in 5 U.S.C. 5335 and means—* *

(1) A periodic increase in an employee's rate of basic pay from one step of the grade of his or her position to the next higher step of that grade in accordance with section 5335 of title 5, United States Code, and this subpart; or

(2) For a GM employee whose rate does not equal a regular GS step rate (i.e., an off-step rate), a periodic increase in an employee's rate of basic pay from the employee's current rate to the next higher rate within the grade (as defined in this section) consistent with section 4 of Public Law 103-89.

§ 531.404 Earning within-grade increase.

An employee paid at less than the maximum rate of the grade of his or her position shall earn advancement in pay to the next higher step of the grade or the next higher rate within the grade (as defined in § 531.403) upon meeting the following three requirements established by law:

(a) The employee's performance must be at an acceptable level of competence, as defined in this subpart. To be determined at an acceptable level of competence, the employee's most recent rating of record (as defined in § 430.203 of this chapter) shall be at least Level 3 (“Fully Successful” or equivalent).

(1) When a within-grade increase decision is not consistent with the employee's most recent rating of record a more current rating of record must be prepared.

(2) The rating of record used as the basis for an acceptable level of competence determination for a within-grade increase must have been assigned no earlier than the most recently completed appraisal period.

(b) The employee must have completed the required waiting period for advancement to the next higher step of the grade of his or her position.

(c) The employee must not have received an equivalent increase during the waiting period.

§ 531.405 Waiting periods for within-grade increase.

(a) *Length of waiting period.* (1) For an employee with a scheduled tour of duty, the waiting periods for advancement to the next higher step in all General Schedule grades (or the next higher rate within the grade, as defined in § 531.403) are:

(i) Rate of basic pay less than the rate of basic pay at step 4-52 calendar weeks of creditable service;

(ii) Rate of basic pay equal to or greater than the rate of basic pay at step 4 and less than the rate of basic pay at step 7-104 calendar weeks of creditable service; and

(iii) Rate of basic pay equal to or greater than the rate of basic pay at step 7-156 calendar weeks of creditable service.

(2) For an employee without a scheduled tour of duty, the waiting periods for advancement to the next higher step of all General Schedule grades (or the next higher rate within the grade, as defined in § 531.403) are:

(i) Rate of basic pay less than the rate of basic pay at step 4-260 days of creditable service in a pay status over a period of not less than 52 calendar weeks;

(ii) Rate of basic pay equal to or greater than the rate of basic pay at step 4 and less than the rate of basic pay at step 7-520 days of creditable service in a pay status over a period of not less than 104 calendar weeks; and
